

Directions to assemble the "Cactus Catcher"

1. Cut out square above on the outside lines.
2. Place square on flat surface with writing down & fold each corner to the center.
3. Turn over and fold each corner again to the center and crease all folds.
4. Fold square in half to make a rectangle (not triangle) & crease fold line.
5. Fold square in half the other way to make a rectangle, crease fold line, open up last 2 folds.
6. Place 3 fingers & thumb under "Help Protect Our Cactus" flaps making 4 cones, close sides together.

To Play game (two people required)

1. First person holds the Cactus Catcher and asks the other person to pick a number from 1 to 8.
2. Open the Catus Catcher to show the cactus for number picked. Ask the person to guess the name of the cactus, bloom color, fruit color, & how big it gets. Open picture flap to get answers.
3. Ask person to pick another number. Repeat step 2 above.
