

## CACTACEAE AND AGAVACEAE OF EASTERN PIMA COUNTY, ARIZONA

*This list was compiled and provided to TCSS by Matt Johnson, Botanical Specialist, Desert Legume Program*

### **Agavaceae**

*Agave chrysantha*  
*Agave deserti* subsp. *simplex*  
*Agave palmeri*  
*Agave schottii* var. *schottii*  
                                 var. *treleasei*

*Yucca arizonica*  
*Yucca elata*  
*Yucca schottii*

### **Cactaceae**

*Carnegiea gigantea*

*Coryphantha scheeri* var. *robustispina*  
*Coryphantha vivipara* var. *bisbeeana*

*Echinocactus horizonthalonius* var. *nicholii*

*Echinocereus bonkerae* (= *E. fasciculatus* var. *bonkerae*)  
*Echinocereus engelmannii*  
*Echinocereus fasciculatus*  
*Echinocereus fendleri*  
*Echinocereus nicholii* (= *E. engelmannii* var. *nicholii*)  
*Echinocereus rigidissimus* (= *E. pectinatus* var. *rigidissimus*)  
*Echinocereus triglochidiatus* var. *melanacanthus*

*Echinomastus erectocentrus* var. *erectocentrus*

*Ferocactus cylindraceus* (= *F. acanthodes*)  
*Ferocactus wislizenii*

*Mammillaria grahamii* var. *grahamii*  
                                 var. *olivae*  
                                 var. *microcarpa* (= *M. microcarpa*)

*Mammillaria heyderi* var. *bullingtoniana*  
*Mammillaria macdougalii* (= *M. gummifera* var. *macdougalii*)  
*Mammillaria thornberi*  
*Mammillaria viridiflora*

*Peniocereus greggii*

## CACTACEAE AND AGAVACEAE OF EASTERN PIMA COUNTY, ARIZONA

*Opuntia acanthocarpa* var. *major*

*Opuntia arbuscula*

*Opuntia bigelovii*

*Opuntia chlorotica*

*Opuntia engelmannii* (= *O. phaeacantha* var. *discata*)

\* *Opuntia ficus indica*

*Opuntia fulgida* var. *fulgida*  
var. *mammillata*

*Opuntia laevis* (= *O. phaeacantha* var. *laevis*)

*Opuntia leptocaulis*

\* *Opuntia lindheimeri* var. *lindheimeri* forma *linguiformis*

*Opuntia macrocentra* (= *O. violacea* var. *macrocentra*)

*Opuntia macrorhiza* [ reported in the literature. I have seen this in Cochise Co. ]

\* *Opuntia microdasys*

*Opuntia phaeacantha* (= *O. phaeacantha* var. *major*)

*Opuntia santa rita* (= *O. violacea* var. *santa rita*)

*Opuntia spinosior*

*Opuntia versicolor*

*Stenocereus thurberi* (= *Lemairioereus thurberi*)
